THE METHOD BEHIND THE MAGIC

Where Science Meets Self-Care

THE CONTENTS

At WELL LAB, we believe that **wellness and beauty** begin with **science**. Our approach blends cutting-edge, non-invasive to minimally invasive treatments with results-backed technologies to help you **look and feel your best**—without going under the knife. From facial contouring and body sculpting to custom skincare regimens and advanced anti-aging therapies, every service is thoughtfully designed to target your unique needs at the cellular level. We don't do guesswork—our protocols are rooted in **proven aesthetic science**, powered by **expert care**, and **tailored** to your individual goals. What sets us apart is our commitment to **real results, luxurious experiences, and holistic wellness** that goes beyond skin deep. Whether you're here for a **luminous facial, fat loss support, or a full-body glow-up**, WELL LAB is your trusted partner in transformation. Because when science and self-care meet, magic happens.

THE WEIGHT IS OVER

BODY BY WELL LAB

TBD

CryoSlimming + T-Shape Skin Tightening + Kabelline Injections + Semaglutide Injection

→ Ready to melt, tighten, and transform? This is the VIP pass to your most sculpted self. We're shrinking stubborn fat, smoothing skin, and boosting your body's burn—all science, no sweat. Basically: snatched, served, and staying that way!

OUNCES TO INCHES

TBD

Infrared Sauna + Semaglutide injection + Leg Compression Therapy

→ Sweat, slim, and smooth it all out. We'll detox your body with infrared heat, rev your metabolism with Semaglutide, and boost circulation with leg compression—goodbye bloat, hello glow! It's like hitting the reset button, but way more fabulous.

THE TRIPLE THREAT

TBD

Infrared Sauna + Kabelline Injections + Semaglutide injections

→ Sweat, shrink, and slim—without breaking a sweat! We're melting away fat with infrared heat, targeting stubborn pockets with Kabelline, and revving up your metabolism with Semaglutide. It's the perfect trifecta to get you feeling fresh, fit, and fabulous.

Laser, Pigmentation, & Skin Correction

LASER AWAY

THE SKIN REBOOT

\$871 save **\$153**
